

# LA CANDELINA DI NATALE

----- PIEGA  
——— TAGLIA

Stampa, colora, taglia e costruisci la candelina di Natale. Un consiglio? Se stampi su un cartoncino chiaro, verrà ancora meglio!

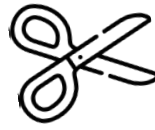

## OCCORRENTE

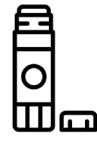

Stampante

Pastelli colorati

Forbici a punta arrotondata

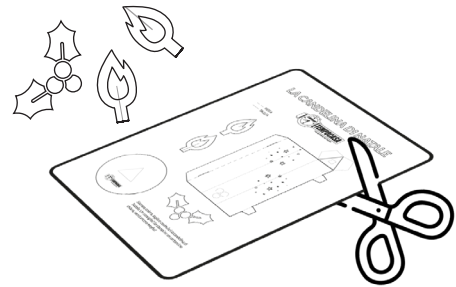

Colla stick

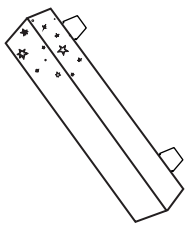

## ISTRUZIONI

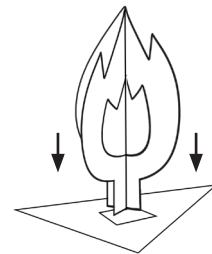

1 Stampa e colora la candelina

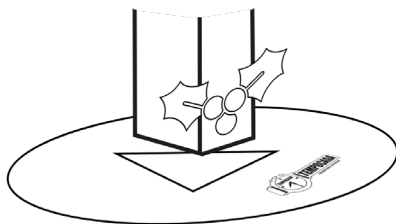

2 Piega lungo le linee tratteggiate, taglia lungo quelle continue

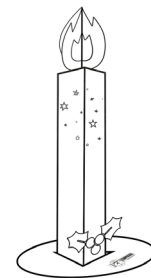

3 Costruisci la candelina, incastrando le linguette nei tagli laterali

4 Costruisci la fiamma, incastrando le due parti lungo i due tagli; poi incastrala nello spazio apposito in cima alla candelina

5 Incolla le bacche di agrifoglio sulla candelina, poi incastrala nella base

6 Ora la tua candelina è pronta per arricchire il tuo Natale!
